No. 2344—Edn. 303-07-3, dated 5th September 1908.

The question of raising the pay of Taluk and Village School Masters to a minimum of Rs. 10 is one that has been engaging the attention of His Highness' Government for some time past. It has been felt by them that good work could not be expected from School Masters receiving less than a living wa —a wage less in many cases than that paid to menial servants.

2. As a first step in the direction of improving the position of these School Masters it was directed in Government Proceedings No. 2715-6—Ed. 259-06-4, dated the 23rd September 1907, that the pay of all such teachers as were getting less than Rs. 10 be raised by one rupee each with effect from the 1st October 1907, thus raising the minimum pay of teachers from Rs. 7 to Rs. 8. The extra cost involved by this arrangement was Rs. 23,832 (State Funds Rs. 16,236 and Village School Funds, Rs. 7,596).

3. The Government are now in a position on a consideration of ways and means to give full effect to the reform in question by raising the minimum pay of Taluk and Village School Masters once for all to Rs. 10. This will accordingly be done with effect from 1st July 1908. This measure entails an additional cost of Rs. 46,968 per annum the whole of which, in consideration of the low state of the Village School Fund, has been ordered to be borne by the General Revenues this year.
